

## Request for Council Action

Originator Communications	Item <b>Approve contract with BEC-TV educational cable access services</b>
Agenda Section Consent	Date 2/22/2016

### Description

The City Council is requested to approve the 2016 contract for cable access service with Independent School District #271. Staff recommends approving the 2016 contract with Independent School District #271 in the amount of \$158,240 for educational access programming. This is the regular annual programming contract with the School District for educational access programming.

Copies of the contracts are available for review in Communications.

### Requested Action

Staff recommends approval of the contract with Independent School District #271 for educational cable access services.
